RECEIVER DISCHARGED IN NEWSPAPER TANGLE

Miss Meta Stofen Renders Account. Figures Filed Reveal Cause for Watters Being Sued by Hose.

On Friday of last week in the case of O. L. Hose vs Henry Watters at Santa Rosa, the account of the receiver, Miss Meta Stofen was settled and allowed as filed, the receiver to be paid $500 for her services and discharged. The figures arrived at by the accountant, retained by the receiver to expert the books of the newspaper partners were accepted as correct by the defendant, Henry Watters, who thereby admitted the allegation that he had drawn sums greatly in excess of the sums to which he was entitled out of the business, which he acquired, with Hose as a partner in 1917.

Between 1917 and June 1922, Watters drew $3458.17 out of the receipts of the business and Hose received $1,126.99. On the basis of the original capital each put in the business, plus what each drew, it was revealed that Watters had $19.66 coming from the business in June, 1922, at the time suit was filed and $1482.88 was due Hose.

The men are equal partners in the newspaper, valuated by them at from $6000 to $7000. Its liabilities are $1132.20 in addition to mortgages of $1700.

The suit which led to a receiver being appointed and the books experted, was precipitated by Hose, who alleged Watters was appropriating the bulk of the business receipts to his own use and denying Hose his rights as a full partner.

Future plans of the partners and the adjustment of their relations have not been announced.

SCHELL'S HATCHERY BOOKS MANY ORDERS

Fred Schell's hatchery at Schellville is booking more orders for 1923 baby chicks than ever before. Mr. Schell's customers invariably give him repeat orders each season and he has built up a fine reputation for the quality and strength of his chicks.

WRIGHT LAW TO BE VIGOROUSLY ENFORCED

When the Wright Act goes into effect in California, the law will be vigorously enforced by Sheriff Boyes and his deputies in Sonoma County. Sheriff Boyes declares that the measure having been adopted by the people of this state, means that enforcement of the prohibition laws of the nation are now up to the local authorities and he has instructed all his deputies to cooperate with him in stamping out all attempts to evade the dry laws wherever found.

Deputy Sheriff Joe Ryan makes no bones of his determined attitude in the matter and declares he will enforce the law without fear or favor. That Ryan means business is known to every wet and dry in the valley. It is recalled that Ryan's only enemies in the campaigns he made for Sheriff of Sonoma county came from those who held it against him that he refused to "lay off" on certain liquor prosecution cases in the old saloon days.

While sentiment for modification of prohibition is pronounced in Sonoma valley, where the Wright law was voted down three to one, it is conceded by many local wets that strict enforcement of the dry laws by reputable officials is far better for the final adjustment of the problem than the present farcical attempt at enforcement by government hirelings, some of whom have bootlegged here one week and flashed federal credentials the next.

SONOMA THEATRE GOERS AT NAPA HIPPODROME

"When Kinghthood Was in Flower" at the Napa Hippodrome this week proved a great drawing card for Sonoma theatregoers. Among those who went to Napa to see the noted film play were the H. W. Gottenbergs, James Tates, Geo. Lowells, H. Weber Jr., Geo. Reed, V. Erlebach, Kennon Gilbert, Cecil Hunter, Mesdames A. Clerici, L. H. Golton, C. Burlingame, Dr. and Mrs. W. B. Hays, Mr. and Mrs. R. L. Watt, Misses Young and McDonnell, and others.

Mrs. O. W. Parker of El Verano spent Thanksgiving in Oakland with her daughter, Mrs. Parrish.

SONOMA BULL IS WORLD CHAMPION

W. R. Harrison's Count Tickford Carries off Honors For California at International Livestock Show.

Sonoma county has carried off the grand championship for the best bull in all the world through the award made at the Chicago International Livestock Show Wednesday to Wm. R. Harrison of Santa Rosa and Kenwood. The four year old world beater was taken to Chicago last week and competed with all prize winning bulls of his class.

Count Tickford was born at the Santa Rosa stock farm and has won many gold medals and grand awards whenever shown. Some of his get have sold for prices running into four figures and the world champion himself is valued at about $100,000.

Mr. Harrison, who is a scientific breeder, has specialized on Milking Shorthorns for many years. He came originally from the British Isles to take charge of millionaire Clark's herds in the Northwest and later was put in charge of the London ranch at Glen Ellen when Jack London started out to raise prize cattle and horses. About five years ago Mr. Harrison leased the grounds at the Santa Rosa fair grounds and went into stock raising and breeding for himself. His success has attracted the attention of stockmen throughout the world and his victory with Count Tickford this week is a big boost for California and Sonoma county.

Mr. Harrison wired his friend, Trustee E. T. Lindley of Sonoma, that Tickford had captured the grand championship.

DEVELOP SONOMA'S RESOURCES, IS ADVICE

S. F. Chamber of Commerce Man Tells Business Men's Association How to Get Industries.

A very interesting and instructive talk was given here Monday night by R. H. Neustadt at a get-together dinner arranged by the Sonoma Business Men's Association. Mr. Neustadt was sent here at the request of the association by the San Francisco Chamber of Commerce which was asked to advise this community how it could induce factories or small industrial plants to locate here.

Mr. Neustadt frankly discussed the subject in the plain language of the world of good business. He pointed out that Sonoma could not compete for clothing, overall or such factories because of the superior facilities and transportation other places had to offer, the large capital necessary in these lines, the keen competition, the shortage of labor and necessity for power machinery, skilled operators and quality

and quantity production. He dwelt on the shortage of labor and showed how the present immigration law was making the shortage more acute.

The natural resources of this section and their development was the solution of the problem of increased prosperity here, said the speaker. "Do not try to duplicate the cities, maintain your individuality," admonished the metropolitan organization man. He pointed out that once those interested in Sonoma Valley's growth and development made up their minds what resource could best be developed, then there would be ample capital forthcoming. The campaign for settlers now being put on by Californians, Incorporated, has already resulted in 10,000 inquiries from prospective homeseekers and those looking for opportunities to invest in business in California. Mr. Neustadt urged Sonoma to list its industrial possibilities, decide what it desired to foster and then get in line with the organization which is pledged to build up Superior California. He advised that communities be prepared to receive the great influx of people who were coming to California and that a definite plan of development of various communities founded on their natural resources be adhered to. He ventured to suggest that while Sonoma did not want to be a world-beater, it did want "a place in the sun" and that through faith in our city and united effort we could accomplish all we seek.

Other speakers were Frank Muller, Secretary Charles LaTorres and President W. F. Clewe of the Association, Fred Batto, Dr. Boolsen, H. Bancroft and W. L. Murphy.

Mr. Clewe touched on the dried fruit industry of Sonoma Valley and the new mine industry on the Goldstein ranch where a big ledge of diamaceous earth has put the Sonoma Valley product before buyers of high grade insulating and filtering material, formerly produced abroad.

Mr. Bancroft, agent of the American Express, admitted Sonoma's inadequate transportation facilities and made a plea for more responsibility from motor truck competitors of the railroads. He agreed with Mr. Neustadt that Sonoma should develop industries from within and pointed out the success of the Sonoma hatcheries, with their annual shipments of thousands of baby chicks. The new incubator industry was also cited as a promising industry.

The evening was voted by all present as very successful and prophetic of some definite move to get settlers interested in the devlopment of Sonoma Valley's natural resources. It was pointed out by one business man present that nothing yet used on California highways has ever been the equal of the crushed basalt rock which abounds in Sonoma's foothills. This and other industries could be successfully developed.

Thirty-five of Sonoma's leading business men were present at the dinner and enjoyed the excellent menu prepared by Harry Fine.

S. V. IMPROVEMENT CLUB DANCE TONIGHT

The Sonoma Valley Improvement Club of Fetters Springs will give a benefit dance tonight at Fetters theatre for the benefit of the new club house being erected in this progressive section of Sonoma Valley.

The club has the solid backing of the entire district adjacent to Fetters Springs and Caliente Park and its membership is one of the largest of any organization in the valley.

Tonight's dance promises to be up to the high standard of excellence for which all social affairs of the Improvement Club are noted. Everyone who attends is assured of a good time and will be aiding the worthy cause of the club house for community activities. There will be moving pictures, dancing to a good orchestra, and refreshments.

FEDERAL DETECTIVE ASH GOT EVIDENCE

Federal Secret Service Operator William W. Ash passed through Sonoma Tuesday after securing evidence proving the method used by two crooks convicted of raising $1 bank notes to $10 ones. The crooks, Raymond Carmichael and W. P. Muldrake, were arrested last year and sentenced to prison for counterfeiting.

The outfit used for raising the denomination of the bank notes was not located until lately, when Sheriff Boyes traced the hiding place of the ink, brushes and safety razor blades to the high tank of a toilet adjacent to the pool room where the two were arrested.

Ash is still on the trail of one of the men, Muldrake, who escaped from the Sacramento jail before being taken to the federal penitentiary.

Mr. and Mrs. Ellis, who lived opposite the Fred Hansen place, have gone to Alameda county where they have purchased a little home.

SONOMA WITNESSES IN BELL CONTEST

Fred Bell, One of Contestants for Millions, Subpoenas Well Known Glen Ellen Residents.

Thomas Frederick Bell, one of the contestants in the $1,000,000 Bell estate of the late Teresa Bell, was in Sonoma Valley last week to secure witnesses when the case comes to trial in San Francisco.

The witnesses sought are neighboring ranchers in the Glen Ellen section, where the late Mrs. Bell owned a ranch of several hundred acres. Among those subpoenaed are Mr. and Mrs. J. H. Weise, Mr. and Mrs. Ben Behler and Mr. Moyer, grocer, of Kenwood. These people knew the eccentric Mrs. Bell and also Mammy Pleasant. They had conversed with Mrs. Bell in regard to her property and family affairs and their testimony may have important bearing on the case.

The children of Mrs. Bell, repudiated by her in her will, seek to break the will, which leaves the bulk of the $1,000,000 to the State of California, on the ground that she was of unsound mind. The case will be tried before a jury.

One phase of deceased testator's unsound mind to be brought out will be her delusion in regard to the valuable mineral deposits on the Glen Ellen ranch.

Attorneys T. Z. Blakeman and Ernest Clewe, both well known in Sonoma Valley, are connected with the legal battery arrayed in the contest for the million dollars.

JOSEPH FELDER REPORTED DYING

Word from the St. Francis hospital in San Francisco, where Joseph Felder has been critically ill with blood poisoning is that Mr. Felder was at death's door Frday. Blood transfusion and amputation of one of his arms failed to halt the fatal malady with which he has been afflicted.

Mr. Felder is one of Sonoma Valley's most prominent and prosperous dairymen and is highly esteemed by friends throughout the state. His wife and children have been at the hospital continually and the best of doctors were retained to fight for the life of the beloved husband and father.

EL VERANO NEWS

By ARCHIBALD McKIVER

F. Bosserman has been in Oakland over the week end.

Louis Lomotte has been transacting business in San Francisco.

Mrs. W. McAulley was an S. P. passenger for Oakland Tuesday morning.

J. K. Bigelow of San Francisco was a well known visitor in El Verano last week.

Mrs. William Minkel is in San Francisco for a two weeks' visit with her daughter.

Mrs. J. N. Beach returned from San Francisco Sunday after a several days visit with relatives.

Mrs. M. Schmitz returned from Oak land Monday evening after a pleasant visit with realtives.

Mrs. R. P. Bailey and mother, Mrs. Ketchum, were San Francisco visitors over the week end.

Miss Lillian Parente of San Francisco has been visiting relatives at Verano the past week.

Fred Poehm has returned to his ranch in the western foothills after a business trip to San Francisco.

Bill Sutter, who is stationed at the Presidio, San Francisco, was a guest over Sunday at the Sutter home.

Mrs. Walter Paulson, after several days spent in visiting and Christmas shopping in San Francisco, has returned home.

Mr. and Mrs. McDermott of San Francisco returned home Sunday after a pleasant Thanksgiving at the L. Mouyer home.

Joe Escolle, Agua Caliente vineyardist, after a several days business trip to Bakersfield, returned to the Sonoma Valley Sunday.

T. H. Baines and family and Mrs. Phil Rossi returned from Dillon beach Sunday after a several days' outing at this famous seaside resort.

Mrs. T. Richards and son, Tom, of Grass Valley, where they are engaged in the hotel business, are at Agua Caliente looking over property interests.

Joe Ryan, well known Sonoma Valley deputy sheriff was in town Saturday in his new Dodge coupe, which will be a great help during the good old winter time.

Claude Lombard and wife and J. J. Springer returned from San Francisco Saturday. Claude has purchased a new seven passenger Buick which is some road hound.

Robert Wright, formerly owner of the Antlers Hotel and who dabbled in soft and hard drinks here last summer and who offered his services as a volunteer prohi officer in introducing dry sleuths to San Francisco bootleggers, was arrested last week for driving a car while intoxicated in that city. This happened after Wright and a prohibition officer had taken a number of violators to the city hall. It is no wonder that the dry law is a failure with such "officials" on the job.

Among those who were week end visitors at the N. Dowdall ranch were Mr. and Mrs. A. Gale of Winters and Miss Anne Dowdall and Mr. and Mrs. Ed Dowdall of Alameda.

Born, on Thanksgiving day, to Mr. and Mrs. William Bonhoff, a daughter. Mother and babe are doing nicely. Dr. Thomson of Sonoma was the attending physician.

The opening of the Black Point highway brought many tourists to the Sonoma Valley Sunday, many auto parties spending the day around the springs and other points of interest.

Henry Danieli has engaged in the draying business in El Verano. His new all around truck is a dandy and our energetic young townsman says business is good and that he is here to stay.

Joe Danieli, chief teamster for the Kearney Lumber Company, was sight seeing in Santa Rosa Saturday evening. On his return he piloted a new Chevrolet car to Griffith's garage in Sonoma.

Welcome back to the fold, Easy Jim after your game tussle with that Ford. There are only a few of us matadors left, Easy, and who will throw the bull after we're gone some times troubles me.

Buck Holley was a Sonoma Valley visitor from Stockton over Sunday. The clever middleweight is now running a club and boxing school in that city and expects to bring out some new champions.

Mike Sullivan, globe trotter, has returned and taken up winter quarters here after a several months tour of California. Mike believes in making hay while the sun shines and resting during the rainy months.

Horace Appleton, known as Tot in the good old days, accompanied by his wife and daughter, returned to Oakland last Sunday after a visit with relatives in Sonoma Valley. His many old school mates were glad to see him once more.

E. O. Gates and wife of Sausalito formerly residents of El Verano, were guests at the Joost home Sunday. Mr. Gates is a U. S. rural mail carrier and his many friends here were glad to see him. They motored up over the new Black Point highway, which is now open to the public.

George Colgan, pioneer baggageman for 30 years on the Santa Rosa run, has returned from Tia Juana, where he took in the opening race of the season, betting and cleaning up on several Irish thoroughbreds just shipped over from the Emerald Isle. He reports a good trip and his many friends along the line are glad to see him back on the job again. George says the Irish sportsmen lead all others, and the horses are full of pep. Mr. Colgan was accompanied on the trip by his wife and daughter, and visited many places of interest in the southern part of California.

Among the rising young El Veranoites who are now employed in San Francisco and who visited here over Sunday were Emile Vincent, George Gale and our old friend, Henry Hiser, well known Sonoma favorite. These boys are in the S. P. Company's service and were all dolled up like regular fellows.

Lloyd Riser, who has been a fireman for the S. P. for some time and is nearing promotion to engineer, was a guest at the Weaver home the first of the week. Lloyd's many El Verano friends were glad to see him, as he has changed little in the past 15 years, during which time he has not been in El Verano.

Last Saturday night Charles Potter, down country farmer and insurance man, who had worked late to finish plowing with his tractor, took a short cut for home. While climbing a steep bank of the Sonoma creek, the tractor turned over and Mr. Potter and tractor went to the bottom of the creek. His son, David, rescued him from the wreck. The tractor was badly damaged but our old friend, Charley, came out of the accident without a scratch and says he will take the old long, safe trail in the future when moving his iron horse.

Sunday afternoon the club house at the Claude Lombard home took fire from a defective flue. J. J. Springer, who had been hunting, returned home in time to discover the blaze and immediately called help and succeeded in getting the fire under control, saving the house and other buildings. Springer, who recently dislocated a rib, forgot all about his injury in the excitement of extinguishing the fire, and after it was all over, he discovered the dislocated rib and slipped back into place again. Mr. and Mrs. Lombard were out motoring at the time the fire started.

Do I catch cold or a fish? I wonder. Here is what one of my fair assistants says about me:

Archie McKiver is a good diver,
So the fishermen say.
A sure-fire go-getter, none could be better,
So the fishermen say.
Archie takes no chances, when a striped bass dances,
On the end of his string.
What does he do? Why, jumps into the slough,
Which is going some, I'll say!

GOLDEN GATE FERRY IS BIG SUCCESS

Directors of the Golden Gate Ferry Company have declared a cash dividend of 8 per cent payable quarterly. The first lot of checks are now being mailed to approximately 1250 stockholders of record at the rate of $2.00 per share. This is considered a remarkable performance for a transportation company operating less than six months.

The company is now operating two ferry boats between Sausalito and San Francisco and is rushing completion on another boat being built in Alameda. Early next summer three boats will be put in operation on a 20 minute schedule between San Francisco and Sausalito and it is expected that this will prove a great stimulant to development in the north bay district.

This ferry service has been a splendid thing for San Francisco business men who have been able to get in closer touch with their neighbors of the north and has greatly increased auto travel and motor truck transportation. Golden Gate Ferry Company was incorporated Nov. 17, 1920.

WOMEN FROM FARM CAPTURED IN SEBASTOPOL

Two women inmates of the Buena Vista Farm for Delinquent Women escaped and made their way to Sebastopol where they were captured by Deputy Sheriff Joe Ryan on Saturday. One of them had slept out all night and was about frozen when the officer took her into custody.

At a meeting of the executive committee of the Poultry Department of the Sonoma County Farm Bureau, held in Petaluma on November 24th, following the inspector's report, two hatcheries were added to the list: W. J. Otten, Sonoma, and G. F. Abbott, Cotati.

The accredited hatcheries are as follows:

G. F. Abbott, Cotati—A.
D. Colli, Sonoma—A.
Cherryland Hatchery, Bloomfield—A.
Gold Ridge Hatchery, Sebastopol—A.
Graton Hatchery, Graton—A.
V. H. Guthrie, Petaluma—A.
E. O. Hussey, Petaluma—AA.
Indian Valley Hatchery, Novato—A.
I X L Hatchery, Petaluma—A.
Lytton Electric Hatchery, Lytton—A.
Must Hatch Incubator Co., Petaluma—A.
W. J. Otten, Sonoma—A.
Pen Grove Electric Hatchery, Penn Grove—A.

More Care—
More Life

Remember the old shoes you left out on the back porch—how they got stiff, misshapen and useless.

It's like that with a battery. If you neglect it you'll find that you've left the way open for a whole flock of troubles that shorten battery life.

Your battery doesn't need much attention, but it needs a little—and that regularly. The safe way is to let us care for it according to Willard Standards of Service.

Never mind the make. We look after all of 'em!

GETTING DOWN TO BRASS TACKS

"Boosterism" has been eliminated by Californians Incorporated, which will use only the "plain language of the world of good business." Sonoma business men fully realized the above truism when they heard the Chamber of Commerce speaker from San Francisco Monday night. Brought here to tell us how Sonoma could get factories, we expected the usual optimistic outlook, the flowery promise, the indefinite prosperity which would bring us temporary joy and a feeling of great importance while the spell of the orator held sway. We got no suchthrill. The unexpected happened. We heard common sense talk and the sound advice that **Sonoma's future lies within itself.** The speaker was positive that every California locality has resources which can be developed into real industries. Sonoma need not look beyond its own precincts for the opportunities it seeks.

We who live here know this is true and we should realize more and more than the ambitious citizenry of the community should no longer grope in the dark, looking beyond for green fields and the golden fleece. Let us get down to brass tacks, look over the resource surface of our valley, as yet scarcely scratched, and determine what there is to develop and what we desire developed. In other words, let's formulate a program of industrial development. We need no divining rod to find the rich possibilities of Sonoma Valley. We do need community concentration and a business-like survey of the country, familiarity with which has warped our sharp perception. But there are those among us still strangers within our gates, who see with different eyes. Give them a chance to suggest and set in on the conferences.

The Sonoma Business Men's Association is assured by the San Francisco Chamber of Commerce and Californians Incorporated, that the latter upbuilders of our Golden State are interested in the success and development of this and all territory contiguous to San Francisco. Once we know what we want and can list our wants with these agencies, we will be put in touch with finances and methods necessary to success.

Let's forego dreaming, banish idle talk and start a round table discussion right now of the industrial possibilities of Sonoma from the standpoint of its natural resources.

AMERICA'S EDUCATION WEEK

America's education week should be a valuable stimulus throughout the country. It should set in motion the spirit of helpfulness toward the strangers who come to the United States to share our fortunes.

America's education week should be the means of pointing out the responsibilities of citizenship and also the lesson of individual responsibility.

The educational opportunities of the United States of America are marvelous. The foreigner and the native born should alike be taught to embrace them. The recent war proved to us that American education was not taken advantage of by our own sons. Illiteracy and inadequate preparation for intelligent participation in democratic government were plainly demonstrated.

The soviet taint and lawlessness will fade before the illuminating realization of America's educational aims The real brotherhood of man will become more of a reality as men come to better understand each other according to standards of American education. The United States is spending millions for education and it is free to all within our borders. The more of it that is utilized and absorbed, the better it will be for America and all the world.

Killing people with automobiles is becoming as big a crime as killing them with a gun, and San Quentin sentences are being dealt out, which is somewhat assuring to those of us who have to cross the streets now and then.

The kind of fumes let loose as prohibition agents are not the kind that will better conditions thought intolerable by many citizens. Let the wets fume in Congress; that is the place to really register a knockout.

MEMORIAL SHELF FOR LIBRARY

In memory of Ellis Simmons, the boys of the Sonoma Grammar School manual training department will build and donate to the Sonoma Library, shelves for books given by Mrs. L. S. Simmons in memory of her son, who was a great reader and earnest student. Mrs. Simmons presented the Sonoma Library with all of Ellis' books at his death and in addition has given one book a month to add to the collection. The shelf in the library's juvenile department set apart for the Simmons memorial, will no longer hold the splendid collection which has been accumulating, so the boys of the Grammar School will make the new set of shelves. They will have a special place in the library and be kept filled with books through the generosity of Mrs. Simmons, who has chosen this splendid method of honoring the memory of her son and giving the young boys of Sonoma the advantage of reading standard juvenile books.

MRS. COLLI GIVES SHOWER FOR BRIDE-TO-BE

SONOMA WALLOPS PETALUMA

The basketball teams of the Petaluma high school motored to Sonoma last Friday night to hold practice games with the Sonoma high school boys and the way those Valley of the Moon lads trounced the Petaluma lads was "turrible." In fact, they just smashed Petaluma's eggs to smithereens and then some.

The 130 pound Petaluma team was smothered by the score of 52 to 20, and the unlimited team lost by the score of 330 to 18.

The Petaluma boys were outclassed and out-generaled and were not ready and that is all about it, according to some of the lads. The Sonoma boys played all around 'em and then came back and did it again.

Football has cut a hole in basketball in the Petaluma Hi this season and it will be some time before the team gets its stride. The local boys are, however, not discouraged, but will work hard, get into shape and go over the mountains and make a better showing next time. They had a good time and a good trip.—Petaluma Argus.

L. F. Lambert was in San Francisco last week buying Christmas goods.

RESORT MEN PAID FINES AT SACRAMENTO

In the federal court at Sacramento Tuesday Joe White of Boyes Springs paid a fine of $100 and Sam Ganos a fine of $500 for violations of the Volstead Act.

A CHRISTMAS GIFT

Send your relatives or friends a year's subscription to the Index-Tribune, a $2 gift which will bring them a newsy letter from Sonoma Valley for 52 weeks. We will mail it anywhere in the United States. What better gift for Christmas?

LOCAL AND PERSONAL

F. M. Burris is in Kings county superintending the planting of a large acreage on the Burris ranch to apricots, which are said to thrive in that locality.

A new bungalow is being erected for the Joe Commatta family on the site of the home at Warfield recently destroyed by fire. Contractor R. E. Murphy is doing the work.

Sam Sebastiani has been in New York the past two weeks transacting business in connection with his many enterprises.

Mrs. E. Dotta who came to Sonoma recently from Nevada to make her home here, has been quite seriously ill the past week or ten days and under the care of Dr. Hays.

Mrs. Arthur Fisk of Pacific Grove has taken up society reporting in her home town and finds it very interesting. She will be in Sonoma to spend Christmas with her mother, Mrs. Kate Buchan.

By a mistake in getting wrong copy for the Valley of the Moon Dry Goods Store last week, the hosiery discount which terminated Thanksgiving day, was re-advertised.

After a six weeks' visit with the Harry Shaw family in Corcoran, in Kings county, Mrs. Mary Shaw and Miss Anna Pemberton have returned home. Mrs. Shaw stood the trip home well and they report a delightful time while guests of their relatives in the southern city.

Will Peterson of the Standard Oil Company, Richmond, was in town on Wednesday, visiting friends and relatives and while here favored this office with a pleasant call.

Russel Tracey, Bob Kent and Al Hoffman were Thanksgiving guests at the A. W. Adler home.

The local American Legion Post has announced a grand ball for New Year's eve at Union Hall.

Mrs. Volquardsen and daughter, Delayne, have returned from San Francisco where they spent Thanksgiving and attended the birthday party of little Joan Volquardsen, two year old daughter of Mr. and Mrs. Leland Volquardsen of that city.

Misses Kate and May Monahan returned to San Francisco after visiting Sonoma relatives over the Thanksgiving week.

Miss Emily Kearney has been visiting Oakland relatives.

Miss May Walsh, Roy Aubrey and other visitors spent Thanksgiving at the Kearney home.

The Erhardt Steigers were entertained Thanksgiving by Boyes Springs friends.

Among those from Schellville who attended "When Knighthood Was In Flower were Charles Potters, Erhardt Steigers and A. L. Beards, Mrs. Bert Clark and Mrs. Moscowitz.

Mr. and Mrs. A. C. Rankin have returned frim Fresno, where they were the guests of Mr. and Mrs. F. W. Naden at their pretty home. They were accompanied by Mrs. Rankin's mother, Mrs. Sprinkle, and Miss Hazel McCosker. Miss Hazel states that while she likes her own home town, Fresno also possesses many charms.

Miss Zolita Clerici returned to the Ursuline Academy at Santa Rosa after her Thanksgiving visit at home.

A. Clerici and son, Leland, and Mr. and Mrs. George Chicazola motored to San Francisco this week via the Black Point cut-off. They pronounce the route a wonderful improvement.

Mr. and Mrs. Neal Dodge (Gladys Simmons) and pretty little three months old daughter, motored over from Petaluma Thursday.

The Ladies' Aid of the Congregational church will meet on Dec. 12th at the home of Mrs. Hiser, who will be assisted in entertaining by Mrs. McAllister and Mrs. Whitmore.

The Corner Drug Store has added another agency to their list: The Homoeopathic "Eopi Home Remedies." We are now exclusive agents for the Homoeopathic preparations.—adv.

What Better Gift Than a Superior Model

CHEVROLET

Unequaled In Style, Value, Economy

1923 SUPERIOR LINE CHEVROLET
FIVE PASSENGER TOURING

A glance at this Superior Touring Car shows why it stands in a quality class of its own—incomparable. Here is an automobile which anyone can be proud to own, because of its up-to-the-minute style, complete, modern engineering, and the lowest operating costs of any 5-passenger automobile made.

$663

1923 SUPERIOR LINE CHEVROLET
TWO-PASSENGER ROADSTER

All these advantages apply with added force to the Superior Roadster, which, due to reduced passenger capacity, develops still lower mileage costs. No need to waste space with fulsome selling arguments. The American public knows automobile values. The spontaneous demand for the remarkable cars will tax even our greatly enlarged productive facilities.

$642

1923 SUPERIOR LINE CHEVROLET
TWO-PASSENGER UTILITY COUPE

The Superior Utility Coupe is bound to surpass the magnificent sales record of its 1922 predecessor. This is the world's lowest priced quality closed car, and far outdistances all competition in single seat closed automobiles.

$877

1923 SUPERIOR LINE CHEVROLET
FIVE PASSENGER SEDAN

The Superior Sedan, like our preceding Sedan, is the outstanding world leader in the all-year type of family car. Chevrolet has led the automobile world in the pronounced shift to closed cars and our five passenger sedan has been the chief reason. At no time during 1922 after the first general distribution of the Sedan, were we able to keep pace with our orders. With this Superior Model, improved in design, construction and added equipment, an even greater demand is anticipated that will maintain our position of leadership in the production of closed cars with Fisher bodies.

$1065

1923 SUPERIOR LINE CHEVROLET
SEDANETTE

The Superior Sedanette is a new member of our line destined, we are confident, to achieve great popularity. It is designed especially for country club, social, shopping and general utility purposes, and as an extra car appealing especially to women. The trunk at rear is part of the regular equipment.

GRAPE SHIPMENTS WERE IMMENSE

With from 500 to 600 cars or grapes stored in warehouses, which were picked before the storm, and with a heavy crop of Emperors, the shipment of which is now doubtful, the grape shipping season of 1922 is drawing rapidly to a close.

Shipment of the Emperor variety depends lagely upon the clearing weather, and the effect of the storm upon the unpicked stock. Fruit men do at this time venture a guess as to what will be its fate, and chances of saving a goodly percentage of the crop are considered evenly divided.

Total fruit shipments are approximately 47,000 cars, which is 8,000 cars better than in 1921. From a tonnage standpoint thowever, the shipments this year are exceedingly greater. Were the tonnage to be divided by the car capacity usually observed in shipments, there were shipped this year some 54,000 cars.

The 1922 shipments, especially of grapes, ranged from 32,000 pounds to 40,000 pounds. The usual maximum is 26,000 pounds, but in most cases this was greatly exceeded, owing to the shortage of cars, and the desire to get as much tonnage on the wheel as possible. Thus, while the cars shipped total approximately 47,000 the pre season estimate of 50,000 cars is nearer right, and the 1922 season may well be regarded as a record unattained in the history of the industry in California.

Of the 47,000 cars shipped, more than 6000 were boxcars.

The Eastern markets are still glutted, and embargoes are being announced in additional markets. Baltimore and Pittsburgh are closed entirely. In Philadelphia, cars may be admitted by payment of 17 cents per 100 additional shipping charges. New York is open only under permit. Boston is closed except to crates and covered lugs, with a most irregular movement.

The Middle West storms have raised havoc with shipments going thru that area, and delayed arrivals are common.

Shipments of juice varieties are late have been injured partly by excessive shipments of Eastern grapes, and partly by more rigid prohibition enforcement. It is said that, while the home owner has not been molested to any extent, the purchaser of large quantities of juice grapes has been watched closely, and the result has been discouragement of purchase in many instances.

Some fruit men are doubtful as to the future of the wine grape industry of California, believing that the uncertainty of transportation, rigid enforcement and other influences will make it an industry fraught with uncertainty to such an extent that it may prove unprofitable.

COWAN SUFFERS A BROKEN LEG

Attorney William F. Cowan is laid up at home with a broken left ankle as the result of a mishap while hunting Thanksgiving Day in the marshes below Sonoma.

With A. B. Hildebrandt, Cowan has recently installed a Buick engine in a boat and they went over to enjoy a day's sport last Thursday. Cowan was proceeding cautiously to the boat but stepped into a hole which threw him forward and as he fell, he says, he heard the bone in his ankle snap.

Hildebrandt picked Cowan up, got him into the auto and took him to Sonoma where the injury was examined and given first aid attention, after which he was brought home. Dr. J. W. Jesse was called and taking an X-ray of the injured ankle, found the bone was broken—Press Democrat.

L. Quartaroli of the El Dorado Hotel is convalescing from a severe attack of neuritis.

SISTER OF DR. HAYS TO BE MARRIED

Miss Opal Hays, sister of Dr. W. B. Hays of this place is to be married in Mexico City, Mexico, to Geo. Glascoch, traffic manager for one of the big oil syndicates in Mexico. Miss Hays, former Berkeley school teacher, went to Mexico some time ago to teach in a private school maintained by the American colony there. During her residence in the southern republic, she made the acquaintance of the gentleman whom she will marry.

They plan to come to California on their honeymoon and will probably visit here with the Dctor and his wife.

GRAMMAR SCHOOL FURNACE REPAIRS

Owing to a delay in the relining of one side of the big furnace at the Sonoma Grammar School building, there was no school Monday. It was thought best to safeguard the children and teachers from cold when it was found that the building would be without heat, as a result of the repairs, which were undertaken over the Thanksgiving vacation.

There are now 300 pupils enrolled at the Grammar School.

WILL C. WOOD TO SPEAK AT DEDICATION

Will C. Wood, state superintendent of schools, will deliver the dedicatory address at the ceremonies being arranged for the new Sonoma Valley Union High School building. Mr. Wood is a very able speaker along educational lines.

BOYES SPRINGS COUPLE WERE WED SATURDAY

Abe Gibson, the well known expressman of Boyes Springs and Miss Effie A. Colford were married here by Rev. J. F. Byrne. The bride is a sister of the butcher at Boyes, and the newlyweds will make their home at the Springs. The happy couple are being heartily congratulated by their many friends.

Mrs. Margaret Gilbert, who moved to San Francisco some time ago, was up Sunday visiting the Cereghino family and other Sonoma friends. Mrs. Gilbert has resumed her former position as bookkeeper at Lachman's furniture house in San Francisco.

SCHOOL TEACHERS MOTOR TO OROVILLE ORANGE SHOW

On a fine trip, terminating at the Oroville Orange Show, several Sonoma teachers journeyed over the Thanksgiving week end. They motored to Sacramento, through the famous Mother Lode country, Placerville, Auburn, Oroville and Redding. The trip consumed five days and was thoroughly enjoyed. Misses Wartshorst and Rolfe of the High School faculty and Misses Burchard and Cooper of the Grammar school comprised the party.
